NEWIN HARDWARE
FOCUS ON GLASS HARDWARE

HIGH QUALITY GLASS HARDWARE

ENTERPRISE INTRODUCTION

Established in 2010, Foshan Newin Hardware Industry Limited is a professional manufacturer and exporter that is concerned with the design, development and production of all kinds of glass hardware. Like Sliding door accessory, door handle, shower hinge, glass clamp, patch fitting, floor spring, door closer and Etc. We are located in Foshan, with convenient transportation access.

All of our products comply with international quality standards and are greatly appreciated in a variety of different markets throughout the world. We have over 100 employees, an annual sales figure that exceeds USD500,0000 and are currently exporting 90% of our production worldwide. Our well-equipped facilities and excellent quality control throughout all stages of production enables us to guarantee total customersatisfaction. As a result of our high quality products and outstanding customer service, we have gained a global sales network reaching Europe, Middle East, Asia and South America!

If you are interested in any of our products or would like to discuss a custom order, please feel free to contact us. We are looking forward to forming successful business relationships with new clients around the world in the near future.
